

*The Parish of St. Neots
with Eynesbury*

Photography, Video Images and Social Networking Permission Form

For use when, in accordance with the St Neots with Eynesbury policy for the taking the of photographs and video images, leaders of an activity should gain consent before images are taken.

- Children under 13 years of age should have parental/carer consent.
- Children from 13 to 16 years of age should give consent together with consent from their parent or carer.
- Children of 17 years of age should give consent for themselves.

Please mark the statement below to show whether or not you agree to the use of photographs or video images of the child/ren in your care (or yourself if 17 years of age). These may be used in official church publications, or on the church's social media, website and displays.

If you indicate you do not wish this to happen, you will not be asked for an explanation and your request will be respected; but if you wish to place a specific limit on the consent given, please state that here:-

I do/do not give permission for images of the child in my care or myself (if 17 years of age) to be taken

Child/young person's name(s).....
